Screenshot

The left screenshot shows the ServiceNow Form Builder interface for the 'Library Book Request' form. It displays a list of fields on the left, including 'Created Date/Time', 'Created By String', 'Updated Date/Time', 'Updated By String', and 'Updated Integer'. The main area shows the form layout with fields for 'Student Name', 'Request Number', 'Department', 'Book Name', 'Author Name', 'Issue Date', and 'Status'. The right screenshot shows the 'Create REQUEST' form in the user interface, displaying the configured fields as input boxes with a 'Submit' button at the bottom.
